LETTER OF COMPLIANCE

July 16, 2002

Anthony Signore
86 John St.
Newton Center, MA 02159

RE: File #2001-01585

Dear Mr. Signore:

On July 15, 2002, personnel from the Department of Environmental Services ("DES") received photographs of the above referenced property, more specifically referenced on Town of Newbury Tax Map 29A as Lot 163-496 (the "Property"). The purpose of the inspection was to determine compliance with RSA 482-A and applicable rules adopted under that statute, and specifically whether the deficiencies noted in the Letter of Deficiency issued to you on October 3, 2001, have been addressed.

After inspecting the photographs, it was determined that the deficiencies described in the Letter of Deficiency have been corrected in accordance with our discussion on Friday, May 24, 2002. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Please be advised that further work in wetlands, waters of the state, the upland tidal buffer zone, the bank, flat, sand dune, or other areas of jurisdiction of the Department requires a posted, approved permit prior to carrying out such work.

As you requested, enclosed is information and an application for beach replenishment for your property

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact the Wetlands Bureau at (603) 271-2147.

Sincerely
